SUNNYMEDE

Gladiolus! Wondrous color-sprays,
Gorgeous as the clouds in sunset's ray;
Endowed with charming form and dainty grace,
Spires of beauty towering into space:
Floreate clusters; guarding swords of green—
Crown you Nature's wonder and proclaim you
Queen. Stanley Thorpe.

"Gladiolus Mrs. William E. Clark has been much admired in England this summer."

"I was especially pleased with Ethelyn, Mrs. William E. Clark, and Sunnymede received from you. These are very beautiful and of most excellent coloring. A vase of Mrs. William E. Clark certainly brightens up an exhibit. It helped us win the Blue Ribbon and Silver Cup at the Annual Flower Show against the stiffest competition in the State."

"Lady Dainty, I would say, is the most beautiful Gladiolus as a cut flower that I have ever seen."

Franklin B. Meade.

I have been asked many questions on the subject of the Gladiolus. Doubleday, Page & Co. has published The Gladiolus Book, written by Forman T. McLean, Ph.D., William Edwin Clark, S.B., F.R.H.S., and Eugene N. Fischer, the noted Hybridist and Artist. I shall be pleased to fill orders at \$5.10 per copy—or I will send one (gratis) to each of my customers who sends me a cash order amounting to \$50.00 or more.
